Mrs. Johnson's Kindergarten Class

Room 5 · Sunshine Elementary School

July
17

Week of June 30, 2025

Volume 36 — Issue 10

End-of-Year Edition

What We Learned

- ♦ Reading: We practiced sounding out short vowel words and built our sight word wall to 100 words!
- ♦ Math: Counting by 2s and 5s — we used snap cubes and number lines.
- ♦ Science: Planted bean seeds and made predictions about what they need to grow.
- ♦ Art: Watercolor butterflies — ask your child to show you theirs!

Upcoming Events

30
JUN

Field Day 🏃

Wear sneakers & bring water!

2
JUL

Book Character Parade 📖

Dress as your favourite book character.

5
JUL

End-of-Year Celebration 🎉

Parents welcome — 2:00 PM in the gym.

Star of the Week

Sofia Martinez

Age 6 • Favourite color: Purple • Loves dinosaurs

- ✦ Sofia always helps her classmates when they feel stuck.
- ✦ She can name all the dinosaurs in our class library!
- ✦ She wrote her very first sentence this week — we're so proud!

Important Reminders

- ✦ Please return library books by Friday, July 4th.
- ✦ Show-and-tell next Tuesday — bring something that starts with the letter M.
- ✦ Sunscreen & a hat are needed every day this week.
- ✦ School supply wish list has been sent home — thank you for your generosity!

Ask Me About...

Spark a conversation on the drive home with these talking points from our week!

Bean seeds 🌱

Counting by 5s

My watercolour butterfly

Our class pet 🐢

My favourite book character

My new sight words

Note From the Teacher

What an incredible year it has been! I look at each child and see so much growth — not just in reading and math, but in kindness, curiosity, and confidence. Thank you for trusting me with your little ones. It has truly been my honour.

With love, Mrs. Johnson 🌸

This Week's Big Words

Germinate

When a seed sprouts and begins to grow roots and a shoot.

Predict

Making a smart guess about what will happen next, using what you already know.

Pattern

Something that repeats in a regular, predictable order — like ABAB!

Symmetry

When both sides of a shape or picture look exactly the same — like our butterflies!
